Dear Mr. [REDACTED]

STAT

I want to thank you again for meeting with me earlier this week. Your recollections add an important dimension to our study and--we hope--enable us to portray the events of the past with greater accuracy and sensitivity than otherwise we would be able to do. I feel fortunate to have been able to tap you as a resource.

In a more personal vein, it was good fun to meet someone who could give life to so many of the personalities and issues that have been occupying my time of late.

Our secretary will shortly begin the process of transcribing the tape we made on Tuesday. As I believe I mentioned, I hope to have it ready for your review in a month or so, at which time I shall give you a call.

You expressed an interest in my recorder, so I looked into it a bit further for you. It is a Sanyo Executive Talk-Back, model number TRC 2500. We paid \$236 for it two years ago. It is a reliable little machine, and based upon my experience with it, I can recommend it to you.

Again, please know of our keen appreciation for your cooperation and assistance. I shall be back in touch shortly after the turn of the year.

Sincerely,

STAT
